

Use this link to access the login page

<https://dynamicforms.ngwebsolutions.com/Login.aspx>

The screenshot shows a login form with the following elements:

- Log In** header
- User Name** label above an input field
- Password** label above an input field
- Log In** button
- Create New Account** link with a large blue letter **A** next to it, circled in red.
- Forgot User Name?** link with a large blue letter **B** next to it, circled in red.
- Forgot Your Password?** link

The screenshot shows the 'Forgot your user name?' page with the following elements:

- Dynamic Forms** logo
- Text: "Forgot your user name? If you've forgotten your user name, please enter your email address below and click 'Submit'. We will respond by email with the username on file."
- Retrieve User Name** label
- Registered e-mail for this account:** label above an input field
- Submit** button
- Other options:** section with links for "Try to sign in again" and "Create a new account"
- Footer: "© 2017 NGWeb Solutions, LLC. System Requirements"

Start with A – click **Forgot User Name** – and enter your e-mail address

You will receive an email with your user name

Then you can take step B – forgot your password to set up your password.

B– click **Forgot Your Password** – and enter your e-mail address and user name.

You will receive an email confirmation. That will give you both user and password.
